Dear Mr. Reiss,

I have received your letter advising of the Woodworking Machinery & Supply Expo 2009 to be held at the **International Centre** over the period of **September 24th-26th, 2009**.

I am pleased to advise you that the use of **Tariff Item 9993.00.00.00** is being extended to you for this event.

Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest CBSA office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, use of the Border to Show system is authorized for this location.

I recommend that any exhibitors coming to this event from outside of Canada, be provided with a copy of this letter for presentation to CBSA Customs Officials at time of entry into Canada.

This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada. Please visit www.cic.gc.ca/english/visit/index.asp for more information or contact Immigration at 1-888-242-2100

I note that you have appointed **Livingston Event Logistics** as "Official Customs Brokers" to effect Customs clearance of goods destined for your event. It is highly recommended that you supply your official customs broker with a complete exhibitor list 6 to 8 weeks prior to start of your event.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,
